

“From Here to Recovery – Transforming the Journey”

Second Annual Recovery Conference

This year’s theme:

Employment as a vehicle to Recovery- Developing pathways back to work

Tuesday 7th October 2008

The NatWest Rowley Mile Racecourse, Newmarket, Suffolk, CB8 0TF

What is the conference about?

- Unpacking the reality of recovery
- What works & what are the outcomes – what is the evidence?
- The impact of employment on individual recovery
- Developing evidence based pathways to work
- Contributions to the journey from users, carers, practitioners and systems of care & support
- System and practice transformation to achieve recovery oriented and socially inclusive practice
- Best practice examples

Expert contributions include

Helen Glover - International Consultant with lived experience of recovery, Australia

Geoff Shepherd - Professor, Sainsbury Centre for Mental Health, Kings College London, UK

Larry Davidson - Associate Professor and Director, Centre for Recovery, Yale University, USA

Paul O’Halloran – Hertfordshire Partnership Foundation Trust, Lead for Recovery Based Services

Chris Munt & Jo Burnham-Lived Experience Consultants, Herts Partnership NHS Foundation Trust
